SIPNA COLLEGE OF ENGINEERING &
TECHNOLOGY, AMRAVATI

**IJFEAT****Event on : 21st September 2013****Conference objective**

The objective of conference is to bring all faculties, research scholars and UG student on one platform and encourage them to present and publish their work with us.

About Journal

The "International Journal for Engineering Applications and Technology" is an international online journal. The aim of IJFEAT is to publish peer reviewed research and review articles fastly without delay in the developing field of engineering science and technology.

"International Journal for Engineering Applications and Technology" publishes an article that emphasizes research, development and application within the fields of engineering, science and technology. All manuscripts are pre-reviewed by the editor, and if appropriate, sent for blind peer review. Contributions must be original, not previously or simultaneously published elsewhere, and are critically reviewed before they are published. Papers, which must be written in English, should have sound grammar and proper terminologies.

About College

"SipnaShikshan PrasarakMandal", established in the year 1995, aims at imparting higher & technical education to the people of the region. Since its inception, SipnaShikshanPrasarakMandal has been successfully running undergraduate and postgraduate courses in emerging areas through Sipna Arts and Science College, Chikhaldara, a remote hilly area known for its tribal and backward population. The aim behind this college and the courses is to provide need based contemporary education.

The college of Engineering & Technology was established in 1999 to provide quality professional & technical education to the students of the region and around seeking various undergraduate, postgraduate engineering courses, management & research programmes. These courses are approved

by All India Council for Technical Education, New Delhi, Government of Maharashtra and affiliated to SantGadge Baba Amravati University, Amravati. The institute is certified by ISO 9001:2008 certification.
